Obituary of Gita Rohini Ajodha Please share a memory of Gita to include in a keepsake book for family and friends. [View Tribute Book](#)

With deep love and sadness, we share the passing of Gita Rohini Ajodha on Saturday, April 5, 2025, in Friendswood, Texas, at the age of 72. Gita was a wife, mother, grandmother, sister, and friend whose warmth, generosity, and kindness touched all who knew her.

She is reunited with her beloved husband, Mahendradath Ajodha; her parents, Ram and Sancharrie Manohar; and her siblings Sybil, Luna, Devi, and Prem. She leaves behind her loving children, Shivendra "Renny" (Jackie) and Sema (Raúl); brother Ishwer; sister Saras; and grandchildren Ashwarya, Raúl Jr., and Caleb-along with many extended family and friends who will forever cherish her memory.

Gita was gentle, wise, and full of love. She especially loved to cook, bringing her family together through meals that became treasured moments of connection. Her thoughtful presence, comforting advice, and quiet acts of kindness will be deeply missed.

Visitation will be held on Sunday, April 13, 2025, from 6:00 pm to 8:00 pm at Clayton Funeral Home (5530 Broadway St, Pearland, TX 77581). The funeral service will take place Monday, April 14 at 10:00 am.

Aunty Geet was a warm, gentle and beautiful soul. Since she lives far away I had the opportunity to meet with her a few times and spending time with her on her 70th Birthday , we built a beautiful friendship . Aunty Geet I will miss you here on earth but memories of you will continue to live on .May your beautiful soul have fun with the angels . On behalf of the rest of the Kuma family , Seema (my cousin) and her family , I hope you find the power of god's strength through this sad time to be able to have faith and understanding when we lose a loved one especially a mother and knowing Aunty Geet is in a better place in heaven . May you and the rest of the family find Peace and if it's any Consolation .. I know how it feels to lose your mum. Lotsa love . Your cousin, ingrid and family
