Billie Blanche Northcutt Lang, 93, passed away on February 8, 2025 surrounded by her children. She was born in Luling, Texas in November of 1931. Blanche's early years were spent moving frequently with her family as her father was working in the oilfield. She lived in more Texas towns than we could begin to list!

She met Bill, the love of her life, and they married in Alice, Texas in 1949. Blanche was a devoted wife and mother. Once her children started school, she worked through the years in administrative positions in churches, oilfield companies and physician's offices when the family lived in Odessa, Texas and Denver City, Texas.

She was living at Trinity Oaks Assisted Living in Pearland, Texas at the time of her death. She was preceded in death by her loving husband William Frank Lang, Sr. and her parents, Thomas and Florence Northcutt.

Blanche is survived by her children Tomi Calmes and husband Michael of Lubbock, Texas, Bill Lang, Jr. and wife Michelle of Tomball, Texas, Steven Lang and wife Jill of Kingsland, Texas and Kim Layne and husband Robert of Pearland, Texas; grandchildren Clint (and wife Michelle), Kyle (and wife Morgan), Cory (and wife Katy), Kenna (and husband Brandon), Michalea (and husband Jaime), Clinton (and wife Megan), Christopher (and wife Caitlyn), Laura (and husband Howell), Colton, HaliAnn, Cameron, and Chloe; 18 great-grandchildren; sister Jenna Guest of Bryan, Texas; sister-in-law Delores Lang of Austin, Texas; "heart children" Bill Wirwahn and Rob Wiley; and numerous nieces, nephews and cousins.

Blanche had a strong faith in Jesus and was a mighty prayer warrior for her family and friends. She had a kind and gentle spirit. She made everyone feel welcome. Her love language was

cooking, and she could whip up just about anything on a moment's notice (always from scratch!). She loved Dr Pepper and Whataburger (which must come with an apple pie) and her motto was often "eat dessert first" (especially ice cream so it doesn't melt!). She counted her blessings and purposefully chose joy and contentment. She loved her grandkids and great-grandkids and cherished being Mimi to all.

The family extends their heartfelt appreciation and love to the staff of Trinity Oaks and the caregivers from Cornerstone Caregiving - Donna, Christy, Haley, Kaitlen, Kayla, Sandra, Yolande, Jean... the list goes on. You showered Blanche and all of us with your loving and compassionate care, and we are forever grateful. You have become family to us just as you became family to her.

In lieu of flowers, the family requests donations be made to Parkway Church in Pearland, Crosspoint Church in Pearland, the Alzheimer's Association or Samaritan's Purse. A memorial service will be held on Thursday, February 20th in the chapel of Trinity Oaks (3033 Pearland Parkway, Pearland, Texas) at 1:00 p.m. Graveside services will be held on Saturday, February 22nd at Noon at Luling City Cemetery in Luling, Texas. Lunch and visitation with the family to occur after the graveside service.

Blanche was one of the kindest persons I have ever met. She never offered anything less than encouragement to anyone. She served her family faithfully and loved generously. I was blessed to have had her influence in my life. I plan to make some angel biscuits in her honor, as hers were the best anyone could ever have the privilege of consuming. "Surely goodness and mercy shall follow me all the days of my life, and I will dwell in the house of the Lord forever." Nothing could be closer to the truth, and Blanche is today in her forever home, probably making biscuits for all the angels. Praying for her family in their loss.

Q: What will you never forget about Billie? A: I will forever remember the many vacations we spent with Aunt Blanche, Uncle Bill and my cousins. There was always a lot of laughter, games to play and great food. Aunt Blanche had an infectious laugh and always made us feel so special. I will always cherish these wonderful memories we shared together.

I find myself at a loss for where to begin, other than with a heartfelt thank you for a lifetime of cherished memories. Even though I was your niece, you always treated me as if I were your own child. You consistently offered a sanctuary to me when I needed it, welcoming me with open arms, understanding, and grace. I fondly recall those Saturday night wrestling events at your home with Uncle Bill and Kim. You always ensured we were well-stocked with snacks and, of course, a "Doctor" for refreshment! We shared countless game nights, cooking sessions (where you made everything from scratch, often recruiting Kim and me to "help," or so you kindly said), bible studies, and so many other wonderful activities. As a young adult, you guided me through the complexities of my relationship with Fred, offering not judgment, but a willing ear, a compassionate heart, a comforting hug, and a soft whisper that reassured me I was loved and forever a part of the family. I am grateful for the years we had where I could visit you in person, share meals, and catch up on life! Our conversations would flow as if we had just spoken the previous month. Your presence has left an indelible mark on more lives than you could have imagined. While I trust you're rejoicing in heaven alongside Jesus, Uncle Bill, and your parents, your absence leaves a profound void in many hearts. Whether or not Dr. Pepper is served where you are, enjoy it often, and keep a few on hand to share. Until we meet again, I love you. Michelle Hayes
