She was born to Charles Sandoval Jr. and Betty Jo Elizabeth Clifton. Linda was preceded in death by both parents and her brother Charles Sandoval III. She married the love of her life, Melissa, on March 29, 2017. Left to cherish Linda's memories are her spouse, Melissa Martinez; son, Casey Stone (Kendra); sisters Sharon Green, Becky Sandoval Alonso (Samuel), Darline Quiles (Jose); granddaughter Madison Lynn Stuart; Aunt Margie and Uncle Henry from Sacramento, CA; mother-in-law, Mercy Martinez; fur baby Peanut Butter; extended family whom she loved like sisters; Valerie Rodriguez, Maribel Chavez, Gracie and Jenny Brewer-Trevino, Ruby Acevedo, Paula Cantu, Pam Juarez and Emily Castro, along with many nephews, nieces and cousins. Linda played sports when she was young. She loved music, watching sports and going to different sporting events. Linda also loved to travel and was a foodie! She relished trying new restaurants, cooking shows, trying new recipes. Prior to her medical retirement, Linda worked as a software engineer supporting the election department of Harris County. She continued her love of politics and had spent the last several months educating everyone everywhere about the upcoming election and urging people to register to vote! Linda was a kind and loving person with a generous soul. She had a gift for listening to others, never judging and always counseled if needed. She was fearless and never let fear stop her from experiencing life to the fullest. Her happy place was the beach or ocean. Linda was known to always wear her favorite... shorts and flip flops! She adored learning about her connection with God and with life which leads to how important family and friends were to her. Both were always welcomed into her home. Her fur babies, Peanut, Kirby and Delilah held a special place in her heart. Linda will certainly be missed by all that knew and loved

Q: Describe where Linda worked and what they did A: Linda and I worked together at Harris County in Elections before she moved to IT. We built the Space Ballot process so the Astronauts can vote a secret ballot and it is still being used to this day. This was just one of our many projects. I valued her opinion, she was always fair, very honest, and we had a lot of laughs, she was a true friend! I will cherish the friendship forever. So sorry for your loss Melissa. Prayers for you and your family.

My friend Linda will be so missed. I love that the picture you have I actually took that picture back in the day. She was my boss and Free Eagle vending and ended up being great friends and eventually moving in as roommates. My mother put her in her first dress and took her church in east Texas back in the day. I love and will miss her dearly ! Trena Holloway

Q: What was one of your favorite qualities of Linda? A: Linda and I shared thirteen beautiful years together. We shared many wonderful experiences together. We both loved new adventures and so on my fiftieth birthday we rode in a helicopter over The Big Island of Hawaii with the doors off. It was windy to say the least but fun. We laughed during and after the flight tour. Linda loved the theater and seeing shows with her mother and sisters. Overall my love lived her life to the fullest each and every day. Her positive energy shown bright. Linda loved hugs and gave some of the best. She radiated this heat as she enveloped you in her arms and you felt loved. I will sincerely miss those hugs. My love may you soar in the universe free of your earthly shell.
