Walter and husband Robert; brother, Kelley Jones and wife Laura; sister, Mary Ann Koonce and husband Jerry; grandchildren, Bobby Walter, Logan Walter, Hayden Walter, and Brooklyn Walter; along with a host of other family and friends. Margaret and I first met Donna and Pete in 1977. I knew Pete from the pipeline industry. It was not long before we met Donna and realized that they were special people. Donna was always welcoming and over the years we regarded her as a good friend, and Pete and Donna were joined in a great marriage. To Donnie and Alicia: We loved your Mom.
