Steve-was a very kind person. I always saw him smiling and never talk bad about others. I went to school with Steve and to a homecoming game once with classmates; a true gentleman. He loved Millie and his family. I didn't see them much over the years but always great to see them. They were true soulmates and now in Heaven together. I am so very sorry for the family and friends and my deepest condolences to you all. Rest in peace Steve with your love. You will never be forgotten.
