My sunshine, I am truly at a loss. My heartbreaks that you are no longer with us. Thank you for being such a caring friend. The memories we have will last a life time. From you baking me cakes to me making you noodles, to playing phase 10. I will miss seeing that bubbly smile and spunky attitude. You were there for me at a time in my life where I felt so alone. I will forever cherish you.

While I have more than a few memories with Maritza since we worked together for a few years. My absolute favorite was the time we went skating. Maritza didn't tell me she did know how to skate. We're skating around the rink and everyone is looking for Maritza. She was in the middle, using the little bar thingy they give to little kids. I said "girl WTH are you doing?" She says "bro I never told you I could skate, I just said let's go." We both laughed until our stomachs hurt. I will miss my friend Her laugh, the way she could make a joke about any and everything. I love you my baby!!!
