Our deepest sympathy to the family of Stephen Marsh. We may never know why God called him home. And why he decided at this time to take him. But know, this was only his temporary home. Till you meet again. And our father's loving forever home. Rest in peace, Stephen till we see you again. His former co-worker is Deborah Gotterup

Stephen was one of my Mentors and preceptors when I first started in the OR in 2016 where I learned so many valuable skills and abilities from him. He came into that role even more so last year when I started learning to do hearts and thoracic surgery. One of the best things I found about him was that he was always willing to go out of his way to help you understand something or assist you with something, even if he was busy with something else. He was kind and understanding and was always good for a laugh. I was heartbroken when I heard the news. He was a good friend and a great nurse who will be missed by all who knew him.

Kara, my heart so hurts for you, we have known you and Stephen for a long time and will always cherish the fun time of being together. Stephen was the sweetest, kindest and funniest and sarcastic man that could make you laugh with that sarcastic humor of his just by looking at his face he could say a lot! We love you dearly and will stand by you and whatever you need you call me or Gerald we will come. We know Stephen is seeing the joy of heaven with the Jesus he loved and he is fine, we thank the Lord he is with him even though it leaves you here just know you have all of family and friends wanting to help. I love you. Marita

I was privileged to meet and know Stephen as one of my first grade students in Bridge City! He was an attentive smart young fellow always following the rules while being an excellent student! I am sad to hear of his passing at such a young age and pray for his family as they live each day with the absence of his life. May the Lord continue to bless Stephen's family.
