Obituary of Dannye Spencer Please share a memory of Dannye to include in a keepsake book for family and friends. View Tribute Book The Houston Astros lost a loyal fan as Dannye Mc Spencer went home on March 2, 2023. He is now dancing with the Lord on two legs! Hallelujah! Everyone in heaven is thrilled because renovations begin immediately. You know he brought a tape measure with him!! Only Dannye could make upgrades in heaven. This dearly loved man is survived by his blushing bride of 57 years, Judy (Nanny) Spencer, and their four children: Chris, his wife Teresa, Shannon, his wife Shannan, Stacy, her husband Troy, and Tracy and her wife Shevaughn. His legacy lives on in Papa's most favorite people, his beloved grandchildren: Julianna, Brooke, Alex, Kam, Caleb, Emery, and Kinlee. Finally, now announcing her royal highness great-granddaughter Roree. He will be remembered with laughter and smiles. Dannye was born March 27, 1945, in Amarillo, Texas. After graduating from high school, Dannye moved his family to Louisiana and then La Porte, Texas to advance his career at Western Merchandisers. Eventually retiring from Waste Management in 2014, Dannye spent his retirement enjoying Astros games and traveling. Dannye and Judy traveled throughout the country while living in an RV. With his family, he also enjoyed numerous skiing trips to New Mexico, Utah, and Colorado. Additionally, he and Nanny cruised to Alaska and flew to Hawaii. However, most often, he could be found cheering in the stands for his grandson and granddaughters at almost every baseball, softball, football, or basketball game. He loved nature, fishing, sports, and building things. Most of all, he loved spending time with his family. The family will be having a private memorial service held at Yellowstone National Park per Dannye's wishes. His family suggests memorial contributions be sent to the National Amputation Foundation Incorporated (NAF). Your donation will help individuals like Dannye Spencer by

I lost my uncle Dannye Spencer on March 2nd, 2023. I grew up with him, he was eight years older than me. My grandmother Bessie (Mom) raised me until I was ten years old, so to me he was more of a brother. He always looked out for me and really didn't want me hanging out with him and his girlfriend, Judy (Polson) Spencer. He wrote to me two months ago and told me he loved me, and to always put God first and family second! I love you, Dannye, you will be missed.

Until we meet again at the pearly gates of Heaven, to the best dad in the world. Thank you for loving me and my siblings unconditionally. You've inspired me to be the best person I know to be today. Integrity, honesty, work ethic, LOVE, and most importantly, family. You've taught me not only about life, but to be genuine and to just be a good person overall and I thank you and love you so much for teaching me those life lessons. You are the perfect example of how dads should be today. YOU are MY dad and I'm PROUD to call you MY DAD! I love you with all my heart. I know you are rejoicing in Heaven with Jesus Christ!
