Susan Lee Battle, 61, passed away Thursday, December 8, 2022. She is preceded in death by her parents Clyde and Betty Wilson.

Left to cherish her memory are her daughter Michelle Abshire and husband, Christopher; brother John Wilson; grandchildren Megan Burns, Vera Lutiker; great grandchildren Anastasia Boomer, Lilly Laney, and a host of many other family and friends. She is also survived by her fur babies Odi and Jakie.

Susan had a genuine, caring smile and a compassionate, servant's heart. She loved helping others and contributed to charities that supported both humans and animals in need. Susan enjoyed her work as a therapist; she worked with many different people including those who were in recovery, trauma victims, and veterans with PTSD. (She LOVED her soldiers).

Proud of her education, Susan attended college as a non-traditional student while raising her daughter. She earned her bachelor's and master's degrees in Social Work from the University of Houston.

Susan was a dog lover and volunteered with dog rescues. She also enjoyed fostering dogs, in particular Great Pyrenees. In her spare time Susan enjoyed spending time at the beach or in the mountains. She will be greatly missed by all who knew and loved her.

A celebration of life service will be held for Susan at 10:00 am until noon, on Monday, December 19, 2022, at Clayton Funeral Home, 5530 West Broadway, Pearland, Texas.

I am saddened to read of Susan's passing, but I hope her family members receive this message. Susan's work helped me to process deep grief and trauma. She was so courageous in her work—and so hopeful that no one was beyond help. I admired her commitment to all humans, no matter the struggles and trauma they had created in their own lives and the lives of others. Everyone needs love, and Susan tried to live that message. Thank you, Susan, for helping me.

I'm devastated to hear this news. I was looking to Susan's information for a colleague who is in need of a high quality addictions therapist. Susan immediately came to mind. I'm so shocked to hear about her passing. I worked with Susan at Eddins Counseling Group and learned so much for her along the way. I remember her being such a kind, gentle and helpful soul. May she rest in peace.

Although I didn't know Mrs. Battle personally, I know she loved her fur sons very much. Seeing her walk through the vet clinic doors would bring a smile to my face everyday. After hearing about her passing my heart hurt for Odi and Jakie. I took Jakie into my home and have been loving on him ever since. I know Jakie misses his momma, and I hope I can give Jakie the amount of love that Mrs. Battle gave him

Susan was my dear and very special friend. We shared many things in common besides both being therapists. We also shared a similar sense of humor. We could always trust each other to be there, often calling one another, sometimes in tears, when we encountered injustices in life, be it to persons or animals. Susan was admittedly not always good at making financial decisions. We decided I would be her "financial sponsor." She would call when she was planning to make a purchase. As her "financial sponsor," we would discuss it, my giving her my opinion. Often she would take my advice, except when it came to buying cars. She'd say "cars are my weakness." Her passing has left not only a hole in my heart but a hole in my life. However, I am convinced that our animals go to heaven, and it comforts me to know that Susan and Casey are happily back together.
