Erik Joshua Eskine

MAR 30, 2022

Erik Joshua Eskine, 29, passed away Wednesday, March 30, 2022. Left to cherish his memory are his parents Ernie and Darla Eskine; grandmothers Mildred Eskine and Lori Gunn; brothers Matthew Eskine, Ben Wetzel, Adam Wetzel; sister Kathy Eberhart; beloved dog Oreo, and a host of many other family and friends.

Erik dearly loved his family and was a good friend to everyone he knew. He was one who usually preferred to be at home, but he loved nature, especially trips to Alaska, New York, Colorado and many other wonderful places. Erik was always supportive and extremely proud of his family and friend's successes and he cherished his nieces and nephews. He helped many friends who were getting back on their feet, and he was always just a phone call away. Erik was a video gamer and met many friends online who loved him. In high school Erik played Lacrosse at Friendswood High School. Erik loved his dog as his own child and is a huge part of his life. He enjoyed sports and loved watching the Houston teams with his father. Erik will be greatly missed by all who knew and loved him.

In lieu of flowers, the family requests donations be made to JDRF or the charity of your choice.

A Celebration of Life service for Erik will be held on Tuesday, April 4, 2022, from 6:00 – 8:00 pm, at Clayton Funeral Home, 5530 West Broadway, Pearland, Texas.

Erik.. there isn't a day that goes by when I don't think of you. It's been almost three years but yet it feels like you were just here, sitting at my table, laughing with me and teaching my kids how to play poker. You have the best laugh! I miss hearing your laugh so much. I miss seeing you smile and watching you delight in every little thing my kids said and did. Man, you are such a good uncle.. such a good kid with a good, solid soul - full of life, love, compassion, and joy! I wish I had told you more how much I loved that about you and how much I appreciated and loved how much you loved and showed love to me and my family while you were here. I miss our talks. I miss being able to call you and knowing you'd always pick up. I miss you. I miss you I miss you I miss you! I miss your hugs and really wish I could get one more really great big long one to hold onto in my heart with all the rest that I'll always hold onto and never forget. Forever young you will always be.. and forever smiling with that young face full of "what's next!?" I will always carry of you with me.. you got there first, and I don't know when we'll see each other again - but I do know we will see each other again - I look forward to the day when I see you standing there, open arms smiling and laughing, excitedly waiting to tell me all about what comes next.I love you, little brother.
