Holden Thomas Tanner

MAR 13, 2022

Holden Thomas Tanner, 26, passed away on Sunday, March 13, 2022. Left to cherish Holden's memory are his parents John and Patricia Tanner; loving wife Stephanie Tanner; son Alexander Tanner; daughter Cordelia Tanner; siblings Avery Jaye, Michael Tanner, Lucas Tanner and wife, Taylor, Storie Tanner, and a host of many other family and friends.

Holden was a dedicated follower of Christ whose faith infused his every action and every relationship. He was a treasured son, husband, father, brother, and friend. He was passionate about the law and, although his law career had only begun, was already impacting the world around him with his exceptional legal mind and commitment to justice.

Holden was originally from Beaumont, Texas where he was homeschooled through high school graduation. At the age of 14, he met Stephanie, and determined that one day she would be his wife. He told his parents, "I need to be excellent for her" and set about pursuing that excellence. He graduated Summa Cum Laude from University of Houston's Honors College in 2018 and from Yale Law School in 2021. Following graduation, Holden poured his passion into his job as a Law Clerk at the Texas Supreme Court until his death. He thoroughly enjoyed working for Justice Jimmy Blacklock and his brilliant staff.

Holden inspired people and he encouraged people. He was an avid reader, having read many of the more than 3,000 books in his family library, and enjoyed discussing them with colleagues, family, and friends. He was both a skillful communicator and listener. Holden invested in relationships, being fully present with people and making sure they knew how precious they were to God and to him.

His laughter filled every room, and he was as likely to be found singing karaoke with his brothers as he was pondering the writings of Socrates. He exuded life and he understood life on a far deeper level than expected in one so young. He impacted every life he encountered and leaves for his family and friends a legacy of faith in the God he loved.

I remember when 2 of my children ,Krysta and Jesse ,started karate . Like the Tanners , I homeschooled them and they were a little shy . Holden ran right up to us with the biggest smile as soon as we walked in . He made them feel welcome and they became fast friends . It was like they knew each other for years . I will always remember his smiling face and his wonderful way with people . I am so glad he became a part of our lives , and we will miss him with our whole hearts .
