Sue Hays Langston

FEB 14, 2022

Sue Hays Langston, 75, left this world on Valentine's Day, February 14th, 2022. She was born in Jacksonville, Florida and grew up in Lakeland, Florida. She graduated in 1968 from what is now known as St. Andrews University in Laurinburg, N.C.

Sue is preceded in death by her parents, George and Lucy Hays, and her sister, Carolyn Hays Langston all of Lakeland, Florida. She is survived by her husband of 50 years, Marvin Langston and her son, Scott and his wife, Nicole, and their three children, Tyler, Alyssa, and Ashlyn, all of Pearland, TX. All have been and are members of Epiphany Lutheran Church of Pearland.

Sue began her love of teaching at Crystal Lake Junior High in Lakeland in the fall of 1968 teaching Algebra. She married in 1972 and moved to St. Louis, Missouri. There she taught Typing and Business Law at Lafayette High School. Sue and Marvin moved to Galveston, Texas in 1978, where she taught and enjoyed the children at Moody Methodist Preschool. In 1982, Sue taught Algebra and was an administrator at Trinity Episcopal School in Galveston. Teaching middle school Algebra for decades at Trinity, she developed many methods of teaching that made a great difference in students with their advanced studies of education.

We know Sue will be inspiring angels in no time.

Cremation is being handled by Clayton Funeral Home in Pearland, Texas and a private family service will be held.

What other wonderful things can I say about Mrs. Langston that haven't already been said? She left a indelible impression on me as both a student and a woman. How lucky were we to have a lively, smart woman get us excited about math?! I can still hear her sing-songy about PEDMAS or fractions to this day. And as much as she pushed us all to be better at math, she also encouraged us to be better people. We were wild, stupid teenagers and yet, Mrs. Langston knew how to reach us. Thank you to the Langston family for supporting Sue through her teaching career. May her impact live on!

Sending prayers to the family. Mrs. Langston will be cherished by us and many others who she blessed by sharing herself with us from her many years at Trinity. Will miss her kindness, generous heart and beaming smile. May you fins comfort in knowing she is soaring high in heaven with all the all Angels. May she rest in peace. The Rivera's- Zandra, Mark and Michael

My family is sorry for your loss we send our condolences to Ms. Langston's family. Ms. Langston taught my two children algebra at Trinity. But, she didn't just teach she reached out to both children and me repeatedly even long after my kids graduated. She talked about her grandchildren with abundant pride. She wanted to bring them to our ranch to see the horses. Ms. Langston had a bottomless well of love and caring inside of her that she freely gave to everyone she met. I admired her.

I was at Trinity from 1984-1993. There were a lot of teachers that I have forgotten, but I could never forget Mrs. Langston. She was instrumental in shaping me into the person that I am today, and my heart grieves for Marvin and the family. Heaven has acquired another beautiful angel!

Sue was a good friend and a fantastic teacher. I loved working with her for 20 years and was so happy she taught my daughter. She had a kind word for all of her students and took great joy in their success. I know there is a big hole in your heart and I pray for you all to find peace

I had the honor to be one of Mrs. Langston's students at Trinity many years ago. Her kindness and warmth coupled with her joy of teaching was a highlight of my middle school experience. I am deeply sorry for your loss, and know that her memory will be a blessing to all those who were touched by her beautiful nature.
