# Hannah Orideth Smith

FEB 7, 2022

**H**annah Orideth Smith, 33, passed away Monday, February 7, 2022. Left to cherish her memory are her parents Samuel and Audrey Smith; grandmother Vonnie Roberts, aunts, uncles, and cousins.

Hannah was a compassionate person; a person you could always depend on. She accepted the Lord Jesus Christ as her savior and loved to share her faith with others.

In 2010, Hannah graduated from Houston Baptist University where she was a member of Phi Theta Kappa International Honor Society. While in school, Hannah discovered a love for writing, editing, and videography while contributing to The Collegian Newspaper. Hannah continued to use her editing and writing skills by working with fellow writers, various publications, volunteer organizations, and the Lakewood church media department.

After graduating from college Hannah began a successful career in Information Technology. She was a valued member of the IT staff at William Rice University and Sam Houston State. Supporting professors and colleagues in teaching higher education was a rewarding career which she thrived in.

Spending time with family and friends was a great source of joy in Hannah's life. Any time spent with the ones she loved was well spent to her. Art was also important to Hannah. She often painted, edited videos, and practiced photography as forms of Art Therapy. Thanatology, rollerblading, and bike riding were some of her favorite hobbies.

Hannah will be dearly missed by all those who knew and loved her.

I am only just finding out that Hannah ha left this side. I'm so used to people dropping contact with me for random periods of time that I didn't think to much about not hearing from her. I had been sending texts...obviously with no response. I'm sorry everyone. I thought I'd have more adventures with her. We used to volunteer together at Lakewood and when she stopped everyone assumed I'd stop coming because the 2 of us would have more time together. I just thought we'd have more adventures.

In times like these we must reaffirm our love and support for the entire family. Just know we are praying with, about, and for you. "I can only imagine" Hannah, roller blading and biking on flawless Streets of Gold. "Oh they tell me of a Home with unclouded days". Hannah accepted Jesus Christ as her Lord and Savior and therefore All Is a well for she has heard the Words, "Well done thou good and faithful servant; you have been faithful over few things, come on High..."May GOD's Grace and Mercy be with you and comfort you all the days of your life.Sincerely the Francis Family

Ori was the first person I met in Houston. She was like family and we went out once a week. She was such an amazing friend because she would always bring laughter, and she would also such a great listener. We travelled together, visited one another and maintained a very loving long distance relationship. She is very sorely missed. I feel she has left too soon.
