Sending sympathy, love and care to Trude, Carla, and Mark in the loss of your husband and father. My memories drift back to our home on Elderwood Drive and our amazing neighbors, the Peterson family. Carl was always interested, kind, and supportive during my high school and college years. I always looked forward to seeing him and Trude on my trips home, and loved watching Mark and Karla grow up! ...a very special family!! Love, Karen (McDonald) Johnson

Trudy and family, I send you my sincere sympathy for the loss of Carl. Our families has been long time friends -- since Karla and Matt (my son) were Queen and King of the first Lunar Rendezvous in the late 1960's. Carl was a long time NASA colleague that was loved by all. I regret that I will not be at the memorial service, but know that y'all are in my prayers.
