I remember how close my son and Chris Worthington were and I talked with him when Chris died. This hurts my heart so bad because growing up he was at my home often. I loved him like a son and he will be missed another beautiful soul gone home. Valorie Worthington

I am truly blessed to have known Ethan. He always gave more of himself than he would ever expect to receive. He has more than once dropped everything to help a friend. Without hesitation. I've witnessed this first hand. His heart was as big as he was and a testament to the values he was instilled with. My prayers to his wife Brittany , son Gauge and his family and friends during this time. Billy
