Tio Juan thank you for everything you did for us and for loving us. The things you did for my family and myself is beyond a blessing. You mean more to us than any blood uncle we've ever had. Your heart was big! Your sense of humor was awesome! My kids adored you. You and my tía Edelmira not only helped us so much when we moved to Houston in 2009. But both of you loved us unconditionally & we will never forget that. I know God got you know tio & you're in paradise. I will live as Godly as possible so that I can have the blessing of seeing you again one day. We will always love you Tichi, Celia, Mikey, Natalie and Jason
