Cheri Renee Harton

JAN 6, 2021

Cheri Renee Harton, 60, of Pearland Texas, went to be with our Lord Jesus Christ on January 6, 2021. She was preceded in death by her grandmother Anna Mae Brooks; cousin, Mike Bunting; and beloved dogs Samson and Lexus. Left to cherish her memory are her husband Glenn Harton; son, Jeffrey Miller and wife Emmaly; grandson, Westyn Miller; parents, James and Pauline Roark; sisters, Holly Conklin, Paula Cundiff and husband Shad; nieces, Camryn Conklin, Payton Cundiff, Shay Cundiff; nephews, Clayton Conklin, Tristan Cundiff; in-laws, Kermit Sr. and Esther Staff Harton; beloved cat, Chester; and many other dear family members and friends.

Cheri worked at Weatherford for 13 years and was a dedicated employee of Neway Valve International for the past 10 years. She loved her job and her coworkers from both. They were like a second family to her. Not only was Cheri a hard worker and go getter, she took pride in her work and everything else she did. She was full of life and energy. Her big and vibrant personality filled a room like no other. For those fortunate enough to know Cheri one thing we can all agree on is that she was beautiful inside and out. When she and Glenn were not at the Texans games on Sundays, as avid fans, they were outdoors going to Sargent, boating, fishing, and hunting at their deer lease. She and Glenn also enjoyed going on cruises and traveling to Las Vegas. Watching her son, Jeffrey, excel in his passion for drag racing brought her immense pride, for family is what she valued the most. She recently saw Jeffrey win the 2020 NHRA Division 4 Super Stock Championship. She was beaming with pride and joy. To Westyn, Cheri was not an ordinary grandmother, she was his “Glammy” and he was her world. She will be greatly missed by many!

Pallbearers are Clayton Conklin, Tristan Cundiff, Jerry Emmons, Terry Emmons, Gary Emmons, Ryan Miller

As a former Neway Valve colleague, the attributes I most admired about Cheri were her smile and kind words she had for everyone. When we called the main line there or walked through the front door we were always greeted cheerfully by Cheri. Yes, she loved her family very much, and I would say she was a Texans super fan. Her costumes at Halloween were amazing as was her themed clothing to celebrate just about every other holiday. She made outstanding chili and was one of the first to raise her hand if anyone needed assistance. It was a pleasure working with Cheri and she will be missed. God has welcomed a human angel into Heaven. - Susan Kennedy
