Margaret was born and raised in McKeesport, Pennsylvania, graduated from high school and attended McKeesport Hospital School of Nursing where she completed her R.N. degree. She worked for many years at McKeesport Hospital. Her mother introduced her to the love of her life, William (Bill), and they celebrated 69 wonderful years together. Margaret and her family enjoyed vacationing and traveling together. In the summers, the family visited the Jersey Shore, and in the winters, skiing either locally or in the Colorado Rocky Mountains. One of their favorite family trips was to Hawaii where they visited the Pearl Harbor National Memorial including the USS Arizona. Her most memorable travel was a church trip to Rome, Italy to visit the Vatican and other prominent city destinations.
