My deepest sympathy to all Verla loved. She talked of all of you often. I loved listening to lots of family stories of little Norma and Eddie! I was lucky to have time to visit Verla's and she taught me so much about life. She had such a positive out look and fight to do the best and think of the best in her situation. She seldom complained and never wanted to ask for help. She loved her family especially Sarah and Nick. My family loved her also... She will be missed but left us with great memories. I will never make a pie when I don't think of you and your easy crust! Rest In Peace sweet lady you deserve a rest.
