## **Alfred Cavallaro**

OCT 2, 2020

**A**lfred Cavallaro, 93, passed away Friday, October 2, 2020 surrounded by his family. He is preceded in death by his parents, Joseph and Rosa Cavallaro; his loving wife of 59 years, Lucy Cavallaro. Left to cherish his memory are his son, Joseph Cavallaro and wife, Ann-Marie; sister, Marie Mannino; brother, Mario Cavallaro and wife, Eileen; grandchildren, Emilia Cavallaro and Frederick Cavallaro; and a host of other family and dear friends.

Alfred had a successful career as a registered architect in Pennsylvania for many years. He was responsible for designing many of the shipyard facilities. Born in Philadelphia and raised in Italy, Alfred completed his architectural studies at Temple and Drexel Universities. He was an excellent provider for his family and instilled a strong work ethic in his family. Alfred proudly served his country in the United States Army but later designed the facilities for the US Naval Shipyard in Philadelphia. To his close friends and family, he was known as “Fred” and to his coworkers and colleagues he was “Al”. In his later years, Alfred enjoyed researching his genealogy and writing his memoirs. He maintained a close relationship with his siblings throughout his life and through his genealogy research developed a special bond with cousins and distant relatives in Italy and Australia. Alfred loved the outdoors and could be found many mornings in his garden. Like his father he had a green thumb and grew beans, eggplants, and lemons like few others. He and Lucy were avid animal lovers and he had a special affection for his parakeet, Polly. He was affectionately known as “Grandpa” to his grandchildren, and after moving to the Pearland area, cherished spending more time with them. Alfred will be greatly missed by all who knew and loved him.

Services for Alfred will be held Wednesday, October 7, 2020 at St. Helen Catholic Church, 2209 Old Alvin Rd., Pearland, Texas 77581. The visitation will be held from 9:00 until 10:00 am with the funeral mass following beginning at 10:00 am with Father Jim Courville officiating. Services will be live-streamed by St. Helen at [www.sthelenchurch.org/index.html](http://www.sthelenchurch.org/index.html). Interment will follow at Houston Memorial Gardens in Pearland, Texas.

Dear Joseph, Ann Marie, Emilia, Freddy, Marie, Mario and family, Our thoughts and prayers are with you all. There are so many fond memories of Alfred; our families are tied together in so many ways. From my Grandmother Sarah, you're Grandfather Joseph (who were sister and brother), Alfred, Marie, Mario and my mom Phyllis. Growing up with this extended family sharing meals, chores and daily life has given me a special perspective of our family. Alfred was always a kind, loving and giving person. Family was so important to him, sharing meals with the extended family and enjoying the presence of other members of the family, their thoughts and ideas. Education to him was a lifeline he was always seeking and learning. His Immediate family gave him such joy and pride. My family has so many memories of him, to many to share here. I am grateful that I have those memories to cherish and look back on when I think of him.

**The Mannino Family** posted:

Uncle Fred was always happy to help everyone. He never complained about anything, even on the saddest and most painful days. Education and family was very important to him, and we will always be thankful for him supporting us during our journeys through school. He has left an impact on so many lives, and he will be missed by all.
