Kai Izzy Diaz

SEP 14, 2020

Kai Izzy Diaz was born on Monday, September 14, 2020 at 4:33 pm to Jordan Brown and Ryan Diaz at the Women's Hospital of Texas. He weighed 3 pounds 7 ounces and was 18 inches long.

To Our Son,

In the little time of these past 8 months we've thought of so many things to do with you. The love and happiness you brought us is absolute, inexplicable, and never ending. You changed our lives for the better. You put us on track. With good intentions and pure hearts. We are forever thankful. You are our light in the dark. Our "Why." You are pure perfection and knowing you are receiving eternal happiness and health brings us peace and happiness. As for when we held your angelic body in our arms for our final moments, we knew you were watching over us and always would be.

We wish we could give you all the kisses on your chubby cheeks and hold you forever, although we know God's way is his way. The best way. He doesn't make mistakes. We want you to know we will miss everything about you son. You are our Angel and will forever be engraved in our hearts, minds and souls.

So with that being said baby boy. With all the love in the universe and to the heavens and infinity and beyond. Till we meet again,

Mommy and Daddy
