**T**roy Dean Summers, 73, passed away Wednesday, July 29, 2020. He is preceded in death by his parents, Russel and Eula Summers; twin brother Roy Summers and granddaughter, Brenda Joyce Summers. I happened to see Troy's obituary on the internet. I'm very sorry for the family's loss. I knew Troy back in the early 1980s while living in Little Rock. He was very proud of his family.

To my dad, I will always love you and miss you. You are my Heart and soul. You were my amazing hero and could comfort me when one one else was there for me you always were. The only thing I ever wanted to do was make you proud of me. And I was able to do that for you and you always will be. I'm going to miss that smile that laugh. I'm going to miss you telling me everything is okay and I'm going to be fine. You are the worlds greatest dad there ever was . You've taught me so much in life and always told me you're going to do great things with my life and you were right. You made my who I am today and I thank you for that. I wish that ever one met the greatest man I know. You will live on with me and Jacob in our life as we go to our next chapter in our life. I love you daddy fly high.
