The family matriarch has passed on and will be sorely missed. All of those great grandchildren were fortunate to have had her in their lives for so many years. Great grandparents are rare these days - especially ones that are as mobile as FLO ANN was. Ann and Jeff, I hope you will be able to fill the void with many happy family memories. She will be a notable absence in future family reunions...With much love, Donna Counts Phillips

Dear Ann, Jeff and Family, So very sorry to hear about your Mother. She was a mentor to many young people in her life. I will never forget all the time she spent with our Girl Scout troop. She taught us a lot of things I remember to this very day. She lived a long and wonderful life and now she is with Becky and your Dad. How happy she must be. You are in our thoughts and prayers.
