My condolences to the family. Sending a big hug to Betty, Mindy and Benjy. Your mom was an Amazing Mother. I will cherish for ever her Love and Friendship. She was like an aunt to me. I am deeply heartbroken of hearing that she is gone. May God give you all the strength during these difficult times.

Granny, thank you for everything you did. Words can't express enough how thankful I am for your support and love. You were always amazing with the kids and for that, I will always cherish you. I'm sorry for any hard times I created. I hope you knew it came from a place of love. I wanted you to have the same joy you gave my children. I made promises to you that I will hold to a high standard. Like I always told you "Don't worry Granny, I got you." I will miss you! Descansa en paz Granny!

Never did I imagine you would be leaving us so soon. I still can't believe I will never see you again. Some of the memories I will hold close to my heart are the ones of you teaching me how to cook. Thank you for always treating me as one of your own and not just your daughter in law. You loved being with your family it's what made you the happiest. Thank you for all the life lessons you taught me Granny. Rest in the sweetest peace. I will always love you and miss you. Mickey Valentin
