My heart is broken for the family who has lost this amazing man. Kyle would give you the people he loved the shirt off his back. I remember when he was young we were at Silverwood lake and he was running around the lake, no one could keep up with him. Still to this day I don't think anyone can. I will miss laughing and showing him things on facebook that crazy people would do, and ask him would you do this Kyle? He would say hell ya and I'm taking you with me aunt Janeyn. I will forever miss this crazy wonderful man.
