**O**bituary of Felipe Michael Osborne Please share a memory of Felipe to include in a keepsake book for family and friends. View Tribute Book Felipe Michael Osborne, 49, passed away surrounded by his family on Monday, October 28, 2019. He is preceded in death by his mother, Mari Osborne. Left to cherish his memory are his father, Phillip Osborne; loving wife of 22 years, Stephanie Osborne; son, Seth Michael Osborne; daughter, Lauren Elizabeth Osborne; brother, Dorian Osborne; sisters, Felice Osborne-Cesar and husband, Ricky, Philena Osborne; nephews, Alexander Osborne, Jonathan McGuire, Cory Arcemont, Dakota Arcemont, James "Tre" Allen III, Jaden Allen and Tristen Allen; great nephew, Nicolas Osborne; nieces, Madison McGuire, Nina Arcemont, Katelynn Arcemont, Emily Setter, Baylei Osborne and Brielle Osborne, as well as a host of other family and dear friends. Felipe graduated from Northbrook High School in 1988 where he met his beautiful wife, Stephanie. After high school, he enlisted into the Air Force and was stationed in Cocoa Beach, FL, where he enjoyed surfing the Florida waves. He later attended ITT Technical School and the University of Houston for Civil Design. Felipe had several hobbies—he loved his football, so much so that he and Stephanie secured season tickets for the Houston Texans in their inaugural season in 2002 and have had them ever since. He wanted to make it a family tradition and pass them down to Seth and Lauren so they could share the same memories with their kids. If you knew Felipe, you knew his love for sports cars. He ALWAYS had a sports car—starting with a Firebird, Camaro, a couple of Corvettes, Trans Am, Mercedes AMG and his beloved Challenger. When he found out he was going to be a father, he sold his Corvette to get a “family” car, which was his 4-seater Trans Am. He has instilled that passion for cars in his son as well. His absolute favorite hobbies in life were fish and fishing. At an early age he developed a love for fish and had many fish tanks and began tinkering around with fish ponds. He grew up fishing with his family and was

so excited to pass the “fishing gene” down to his kids. Many early mornings were spent in Galveston at sunrise with his family, trying to hook a big Red. He always sought out unique fishing excursions when he went on vacation to share with his family. His interest in Japanese koi fish began to grow as a young adult and developed into a love and admiration for these beautiful creatures. He sought koi from renowned Japanese breeders to add to his Japanese-themed yard with his beautiful koi pond. He loved participating in the Houston Pond Tours to educate others that were interested in the hobby. He made many friends from all walks of life and from across the globe who also shared a love of koi fish. Felipe’s family meant everything to him. He had a tremendous love and admiration for his wife, Stephanie, who he met in high school. Their friendship grew into love and they shared 27 amazing years together. His children, Seth (Little Buddy) and Lauren (String Bean), were his absolute pride and joy. He and Stephanie lived a mantra of “making memories” for their kids—fishing trips, Disney World, countless family vacations and traditions for their family. He instilled within them the importance of family and how important it is to enjoy the present. Felipe worked at HR Green Engineering and he loved his work family. He considered his work colleagues as his friends with whom he happened to work with. He was often referred to as their social secretary, always planning events, etc., which helped develop the culture at the HR Green Houston office. All that knew him could see the love in his heart for his family and friends. Felipe will be greatly missed by all who knew and loved him. In lieu of flowers, donations may be made to Seth and Lauren’s Education Fund Osborne Education Fund Services for Felipe will be held at Clayton Funeral Home, 5530 W. Broadway, Pearland, Texas 77581. My name is Michelle Byard, and I am in the Cedar Rapids, Iowa office of HR Green. The first time I visited our Houston office, I did not know a soul. Felipe greeted me with kindness and "showed me the ropes", introduced me around, and generally made me feel welcome and comfortable. That is just the kind of person he was: very giving and kind. This first meeting turned into a long distance friendship where we frequently shared jokes and just generally "checked up" on one another. I was always so glad to see him when I was in Houston, and he was always the first one to greet me. I know you are hearing this from all, but I am so sorry for the loss of this wonderful man who made a difference in so many lives, even with such a small gesture of making someone feel comfortable in a new place. He loved his family fiercely and was never at a loss for a story! He will be missed by so many. My heart goes out to all of his family at this most difficult time.

He was an awesome of a man as he was a father. I remember him coming up to me during aau and instead of telling me all the right things I was doing, he had told me how to improve on things that needed work on. He was a great man who raised a great son and I will never forget the impact he left on my life

My condolences to Felipe's family. He was always at work bright and early every day so he could wish everyone a good morning and he did just that. He was always cheerful and happy and had a bright outlook each and every day. He was the class clown at HR Green and made sure to give nearly everyone around the office a nickname. He will be greatly missed.
