My aunt returned some things to me I had lost for over 30 years. Among them was a bible given to me by Patricia (at the time Mrs McGrann) when I finished at beacon school. This morning I went searching, hoping to find her so I could tell her what an incredible impact she made on my life. I was heartbroken to find this page. You will always be in my heart.

Patsy was one of the most genuine people I have ever had the pleasure of knowing. She embodied both love and grace and her kindness was unbounded. This world is a bit darker and Heaven brighter because she lived.

During the years that I was Fire Marshal for the City of La Porte, I had many opportunities to be around Patsy. I always found her to be very friendly, out going and very professional. She always made me feel very welcome and helpful when I would come to her Day Care Center. My heart and prayers go out to her family.

So sad to lose another earth angel like you! Thanks for helping all the young people and especially our Girl Scout Troop. I know you were greeted by a lot of people that you loved and helped, but also a lot of little animals have been waiting for you too! I thank you for all you taught me and all your help! I will miss running into you at our special places around La Porte! Please give Lynn and our brother Greg, also cousin Charles, that we all miss and wait for the day to be with all of you again! Again, thanks for all your love and kindness! Prayers for the family and you did what you wanted to in helping and guiding Lynette into a very wonderful young lady!

My name is Betty Branch. I live in Texas City. Patsy was my 10th grade World History teacher. I am now 65. We have kept in touch all of these years. She always took an interest in me and wanted to know what was going on with me. She was a wonderful teacher. She would do anything for anybody that she met. Patsy inspired me. I became a teacher myself. I always felt better after I would talk with her. She was there for the high points in my life and the low point in my life. She was always there for me. Patsy and Rogers came to visit and they met my daughter Maria and my grandkids, Nathan and Natalie. They came at Christmas time and brought gifts. She was such a giving and wonderful person. She taught me so much about life. Patsy, I love you with all my heart. I know you are in the hands of OUR LORD JESUS and that you are healed.
