Sallye was accepted to Rice University, however, elected to enter the workforce at W.H. Curtain & Co. in 1950. It was there she would meet her future husband, Edgar, at a company Christmas Party. I just wanted to express my condolences to your family. In the scriptures there is so much hope and comforting words. Job 33:25 where it says "Let his flesh become fresher than in youth; Let him return to the days of his youthful vigor" and Job 14:14,15 tells us that he cannot wait to fulfill his promise!
