Obituary of Lisa Me-Ling Shivers Please share a memory of Lisa to include in a keepsake book for family and friends. [View Tribute Book](#)

Lisa Me-Ling Shivers was born December 2, 1970 in Gary, Indiana to Richard and Patricia Shivers. Strong family values instilled in Lisa at an early age shaped her into the beautiful, strong loving giving and independent woman Lisa blossomed into.

After graduating from her beloved Roosevelt High School class in 1989 Lisa entered business school completing her associates degree in business management working as an administrative assistant. Lisa loved spending time with family and friends and had a unique way of incorporating her friends into family. Everyone was special to Lisa and she displayed her love and affection by her strong presence on social media.

Lisa's zest for life included eating, travel, hanging out with family and friends, talking..., posting on social media and spending time with the love of her life Jeffery Smith. Jeff and Lisa were best friends who brought laughter to the room, complemented one another and shared a love and engagement that lasted for years.

Lisa's diagnosis never stopped her from encouraging other patients diagnosed with cancer. She created "The Lisa Project" an organization to help other cancer patients. Lisa created and distributed gift bags containing personal care items while going through chemotherapy. Even during her own clinic appointments and treatments Lisa was determined to make sure she personally delivered gift bags to patients. Her purpose was to inspire others and put a smile on their faces while battling cancer.

Lisa's health started declining and was unable to do what she loved most, posting on social media and distributing her care bags. God called Lisa home transitioning peacefully surrounded by her family and holding the hand of Jeff. Lisa fought a good fight, kept her faith completed her job here on earth and God called her home.

When I first met Lisa about 5 years ago, this is how she looked (picure above). She was so full of life and laughter. She rented a condo from me in Indianapolis that she loved so much. The condo was always so neat and clean and she was the perfect tenant anyone could have. We soon became good friends and shared a few wonderful memories. I will miss my Lisa very much and I also know that she is at peace with the Lord. Her courage and strength was admired by many. My deepest sympathies to her family. You are all in my prayers.

I'm so deeply sorry for the loss of your loved one. My heart goes out to all of the family. When going through the loss of my father from cancer, a scripture that brought me comfort is Isaiah 41:10. There God implores us to not be anxious because he is with us and assures us "I will really hold on to you with my right hand." May the God of all comfort be with you at this difficult time. (2 Cor. 1:3,4)
