Anthony Davis

January 01, 1985 - July 10, 2018

Anthony Bradford Davis, born January 1, 1985, passed away at the age of 33 on July 8, 2018, from a tragic accident. He is preceded in death by his father, Lawson "Sonny" Davis Jr.; sister, Lauren Davis; grandparents, Lawson Sr and Beryl Davis and Kermit and Aubrey Bradford. He is survived by his mother, Deborah Davis; sisters, Kelley Davis, Mandy Richardson and husband Chris, and Holly Perez; nieces, Parker Sodaro, Ainslee Richardson, Priscilla and Maya Perez, Mykayla Davis; nephews, Law Perez and Zane Richardson. Anthony was an extraordinary person. He was an extremely intelligent man with an adventurous soul. Growing up you could often find him on his bike, skateboard or skates, probably doing some new wild trick or stunt, and man oh man the hairstyles ... they were probably just as wild! His friends were his brothers and a piece of sanity amongst all the girls he was otherwise surrounded by. He liked to joke about how growing up surrounded by all those girls messed him up, but he loved his sisters and they loved him. He was funny and crazy and loved to harass us all. He loved cooking and was good at it. He loved playing with his nieces and nephews always jumping right in to play a new game with them or try out the new things they got. He loved to make huge bonfires and venture out in the woods, as well as survival tactics. He played the drums and would try to teach his nieces and nephews how to play. His friends and girlfriend, Kelly Farrell, were just as much his family as his biological family. He was and always will be loved and missed by so many. Visitation will be Saturday July 14, 2018 at 3:30 and the Memorial service will be at 5:00pm at the Paul U lee Funeral Home in La Porte, TX

We send our deepest sympathy to Debby and to the incredibly close and loving Davis family. Tom and I did not have the chance to know Anthony well, but when we were in his presence at parties and gatherings at Dick Wright's welcoming home, we never failed to be charmed by Anthony. His intelligence and sense of humor drew us in, and I never saw him display an ounce of unkindness. His love for his family was obvious; he was a fond and fun uncle to his nieces and nephews. Anthony was a special soul, and he will be missed by our entire family and by so many others. We wish him a sweet rest, and we hold the family in our hearts.

I would like to offer my condolences to Anthonys family. I had the pleasure of getting to know Anthony over the past 8 years or so when Anthony worked for me at Chevron Phillips. Anthony was always at the top of my wish list for Instrument Technicians. He was a mentor to younger Technicians and brought his awesome personality, sense of humor and great expertise to work with him everyday. He will truly be missed by many. May God rest his soul.
