Obituary of Dylan Andrew Hussey Please share a memory of Dylan to include in a keepsake book for family and friends. View Tribute Book Dylan Andrew Hussey, 21, passed away Thursday, March 29, 2018. He is preceded in death by his great grandmother, Margie (Gigi) Anderson, his grandmother, Nora Muller and his father, Geary Hussey. Dylan is survived by his loving mother, Desiree Ann Steele; his “dad” Jeremy Steele; brothers, Tanner and Jordan Steele; sisters, Amrie and Isabella Steele; maternal grandfather, Charles Bender; grandparents, Pete and Fran Steele; numerous aunts, uncles, cousins, and a host of other family and dear friends. Dylan spent his time watching Texans football and playing video games. He loved food, especially Sushi and Chinese food. One of his favorite things to do was find recipes and cook things that he wanted to try. Dylan was an amazing big brother and absolutely loved his siblings. He was carefree, passionate and would do anything for anyone if they asked. He was the kind of person who showed his love through insults and you knew he loved you if he was mean to you. Dylan was stubborn, hardheaded and always wanted to grow up so fast. He would not take advice and in turn learned everything the hard way. He strived to be a good man and, in the future, wanted to be a good father. Dylan was loving and always there when it was important. He was the best baby a mother could as for and will be greatly missed by all who knew and loved him. Services for Dylan will be held Friday, April 6, 2018 at Clayton Funeral Home, 5530 W. Broadway, Pearland, Texas 77581. The visitation will be held from 2:00 until 3:00 pm and the funeral service will follow at 3:00 pm.

This hurts. I know what his family feels like because Dylan was there for us when we lost our son Jose. Dylan was a one of a kind and was always there with a great big teddy bear hug.

These holidays are so hard. It will never be the same. I can still remember your first and second Christmas. It was just you and me together. We had an awesome house in San Antonio. Your room was awesome with large French doors.. I could see you playing.. you were so small but still helped me decorate the tree. I took you to see Santa that year. Lol you were horrified. So glad I took that photo. :) Your grandma was so excited to see you open your presents on Christmas morning. I know she is with you now. I miss you both. ..till we meet again son. Merry Christmas

I thought of you with love today but that is nothing new. I thought about you yesterday and days before that too. I think of you in silence I often speak your name. All I have are memories and your picture in a frame. Your memory is my keepsake with which I'll never part. God has you in His keeping, I have you in my heart. I miss you son.
