Neri was a positive person and would not want us to be sad, although again, I will be lying if I say I am not. If he were here, he would tell us to cheer up, smile and remember all of the great memories we had all shared. Even though Neri may be gone, his memory will live on, in most of us forever. "Neri, I cannot put into words how much I will miss you, but I will always remember you with joy. I appreciate your friendship and will never forget you... I love you, my man. Until we meet again."
