Nooshin Homayouni Azartouz, 54, passed away surrounded by family Tuesday, March 13, 2018. She is survived by her parents, Siavash and Pourandokht Homayouni; her loving and devoted husband of 29 years, Amir Azartouz; daughters, Roxy and Alyssa Azartouz; brothers, Nader Homayouni and wife, Maggie, Dr. Navid Homayouni and wife, Gita; sister, Yasi Holt and husband, David; and a host of other family and dear friends.

Nooshin was extremely loving, gentle, down to earth and dependable. She was very sensible with a sensual soul and every moment with her felt like an adventure. She was always productive and ready to accomplish the next task. Nooshin enjoyed painting, gardening, dancing and laughing. She always took time to appreciate the simple things in life and saw the beauty in every little thing. She was reliable and patient.

Nooshin got the most joy from making others smile and giving gifts to those she loved. She was constantly joking around and being silly. Her beautiful spirit could light up a room and she will be greatly missed by all who knew and loved her.

Services for Nooshin will be held Friday, March 23, 2018 at 11:00 am at Clayton Funeral Home, 5530 W. Broadway, Pearland, Texas 77581 with Chaplain Jeff Rees officiating. Interment will follow at SouthPark Cemetery in Pearland, Texas.

Dear Nooshin, Your Smile, your laughter, your kind and gentle spirit, and your joy for life will never be forgotten. You will forever live in our hearts. It is hard to believe that you are no longer amongst us. You touched so many hearts in your short life on this earth but you certainly left your mark. My memories from childhood and our trips to North of Iran and your selfless and unlimited kindness you showed us when we lived near you in NJ. will for ever keep you in our hearts. I regret not seeing you for a few years after we moved but as you look down upon us just know that many of us who have not seen you for years are sad and with heavy heart tonight for losing you. Rest In peace my sister.....

My sweet and gentle cousin Nooshin, We grew up together and I have so much fond memories of our childhood and teenage years...as a child I looked up to you and followed your footsteps. I am so sorry that distance separated us over the past several years and we did not see each other as often. But every time that we talked or saw each other it was as if no time had passed. I still hear your gentle voice and contagious laughter in my head and when I close my eyes I can see your beautiful face smiling at me. How I wish that I could hold you in my arms one more time... I'll treasure our memories for ever. Love you my beautiful angel, Elham
