Bill, Randy & Anthony, Very sad to hear of your loss of your precious wife and mother and my unforgettable Aunt Johnnie Lee. Even though the years and miles have separated us I often think about you and especially now as you say goodbye to this wonderful lady. I pray that you honor her legacy and that you too will experience her love for our Savior. May He hold you all close during this difficult time and give you strength and comfort to carry on as you know she would expect you to do. There are so many sweet memories I have of her; she gave me my first haircut and my mama was furious about it (I begged her to cut it), and I loved it! She made the best BBQ pork chops. She was generous beyond measure opening up her home for cousins, aunts, brother, sister-in-law, and niece when they did not have a home. She always had pretty shoes and I loved to wear them; especially the pink ones. She bought me my very first coat (everybody knows you don't need a coat in FL) and I can still remember that shopping trip just like it was yesterday. She was older when she learned to drive and I can remembering riding with her as she learned, it was scary and we laughed a lot. Always giving of herself, a wonderful role model for a young girl. I still have a voice mail on my phone from her; she called me to thank me for an apron. When I listen to it I will think of her sweetness until the day we all get together in Heaven. I am Lynn Reagan (your cousin) daughter of Wilburn Edge (Brother).
