He was a great guy. One of my favorite anesthesiologists of all time. He always had a smile and could always make you laugh. Any time there was a delay, he could take us from being irritated to having a laugh about it. So sad to see him gone.

Please receive my most sincere condolences. I went to Our Lady of Perpetual Help School with him as well as to Pace HS. He was a very kind hearted person. He had a great spirit about him and I know he was needed back with God for his special attributes. My thoughts and prayers are with your family. Rest in peace, Xavier.

I can't begin to express how sad I am to hear of Dr. Adrien's passing. I worked with him for a while as a recovery room nurse at Memorial Hermann Southeast. He was such a joy to work with. I knew when he was my attending on the unit he would provide great and safe patient care, calm under pressure, and have fun all the while. He had such a light and positive energy about him. This world will not be the same without him. He is greatly missed.
