She absolutely adored her soul mate Steve. Every day he left for work she would get up and leave him a note in his lunch letting her "Honey Bunny" know that she loved him and to be safe on his way to work. Steve and Mavis were married in July of 1984 in Goldthwaite, TX. They briefly lived in Bellaire before settling in to their forever home in Pearland. Mavis volunteered at the school there helping the children & staff. She was very close to her sister Jan and talked to her daily. Her and Steve never had any children of their own, just their dog Babygirl. Every holiday you could find her chatting away with her family who lovingly referred to her as "The Whisperer". She was diagnosed with lung cancer in 2007 and was transitioned to hospice in early 2017. After 8 months and the

Praying you are at peace now Mavis and in the arms of our Father along with Fuzz. Thanking God for Buddy, who was able to keep his promise to the two of you by bringing you home to spend your last days with your beloved pet in your home. It's been a long road for you and it will be an even greater transition for the family knowing the presence of you two will not be here with us anymore. God Bless Bruce & Cathy
