The Draper & Associates family has truly lost it's matriarch but none of us will ever forget you. I will never forget the countless conversations in your office, it makes me smile when I think of all of the laughs we had. Thank you for making such a difference in my life and for always talking to me, never down to me. Please tell Mr. T, Mr. Lacy, Larry & Sarah and especially Mr. Draper hello from me. I Love You so much, Heaven has certainly gained a beautiful Angel.

When I interviewed with Chila, I was looking for a Job but I found a family that helped me in so many ways. She was our Momma Bear, watching over all of us. I think of her often and all the things that she taught me thru the years. Her kind heart, and love that she shared with everyone. My family was all in Dallas, Draper & Associates was my Houston family and I am so very thankful to have them. I feel very blessed that the Lord put Chila in my life. My sincere condolences to her family and her Draper & Associates family. She will be truly missed. Love You Chila.

I was so sorry to hear that Chila had passed. I had not seen her in many years, but I thought of her often. I remember her from my childhood and they were very fond memories. I would go out to the ranch and spend time with her and her family. It was always fun to go out there. She came from a wonderful family. I pray for her family that is left behind, may the Lord bless all of you.

There are not enough words to say what a wonderful person she was. I see her as the kindest , most loving person I have ever had the pleasure to become family with, Her grandchildren and great grandchildren are the little seeds she has planted in this world so that she will always be here. I will miss her at family functions but i promised her that i would help to look after her babies until it's my time to join her in heaven. This lady will be missed in so many ways, and she will be loved by all that knew her until we meet her again.
