Bradley "Brad" William Clemens, 29, passed away Saturday, May 6, 2017. He is preceded in death by his father, Richard Paul Clemens; and grandparents.

Brad is survived by his mother, Cynthia Marie Clemens; son, Colton Clemens; former wife, Becky Clemens; and brother Craig Eaton and wife, Maria and a host of many other family and friends. Brad was diagnosed with brain cancer at the young age of 12. During his battle with cancer he showed great courage and perseverance.

He had a passion for outdoors and enjoyed camping on the family property in East Texas. Brad was a survivalist and especially enjoyed hunting, fishing, shooting guns or just mudding in his truck. He was very patriotic, loved his country and family very much.

Brad was very close to his mom and loved her dearly. Brad was a very private person, but friends and family knew that he cared about you. He was a devoted father to his son Colton and enjoyed spending quality time with him building a sandbox or just taking him outdoors to experience the things that he loved so much.

Brad's battle was testament to his determination and was an inspiration to everyone he met. He will be greatly missed by all who knew and loved him. A Memorial Service for Brad will be held Friday, May 19, 2017 at 4:00 pm at Clayton Funeral Home, 5530 W. Broadway, Pearland, Texas 77581 with Pastor Leo Loughmiller officiating. At Brad's request, the attire is blue jean casual.

I had the chance not only to work w/ Bradley but to meet him a person. His eager to fight cancer, enjoy life, his commitment not only to work but his son, showed the true side of him. He always mentioned his son as part of the things most cared about. May the lord have him in his glory, more importantly my prayers for his family in such difficult time.

Cyndi, Words cannot express how sorry I am for your loss. Things in life like the struggle Brad endured don't make sense to us hear on earth. I believe a time will come when we all will be reunited with all of our lost loved ones, and perhaps then we will understand. Take good care of yourself and let me know if you need anything. TDY
