Dr Charles Hand was my dentist since I started Kelso Elementary school. He took care of my whole family. He was the most gentle and kindest dentist I had ever met. He truly cared for his patients. He took care of my mother up until about when she turned about 72 probably sometime in 1997. I am happy to know he had such a full life. I was always extremely particular about who took care of my teeth until I met another great dentist whom I married. Carol Collins, Houston

Dr. Hand was my dentist when I was at Kelso Elementary in the late 50's. I became a dentist. I ran into Dr. Hand at a dental seminar. I introduced myself. He acted like he remembered me but I knew that wasn't likely. He asked for hints to help jog his memory. I told him my mother Dolores always insisted on going into the operatory with me to make sure I was treated well. He said, "I REMEMBER YOUR MOTHER!"

Dear Aunt Evelyn and family, I'm so sorry for your loss. Uncle Buck was such a kind, gentle, charismatic man and always seemed to be smiling and happy. That smile stands out in my memories, and he even made the dental chair a happier place for me! Now, I imagine my mom, Mimi and Bato welcoming him in heaven. What a joyous reunion! I'm glad Lee and Dee Ann were able to visit with all of you. Please know that you are in my thoughts and prayers. Love, Kelly

As a young child I remember Dr. Hand as our family dentist. My Mom and Dad thought so much of him. He always had such a sweet demeanor. Throughout life we were connected through his dentistry, through Evelyn, and finally through Crosspoint. Seeing Buck and Evelyn each Sunday was always such a treat. He was such a kidder and his sweetness still shone through. You will be so missed, but God has claimed a dear soul. Bill and Becky

To the Hand family:I am so sorry to hear of Dr. Hand's passing. He was truly one of the sweetest men I ever knew. I will never forget his kindness toward me (in fact, I will never forget the kindness of ALL of you), his gentle spirit, his sense of humor, and his plain and simple goodness.It is a tribute to both Dr. Hand and Mrs. Hand that they raised three wonderful sons, who will keep his name and spirit alive. Raising three sons myself, I often think of their example.May God bless you all in your time of loss.
