I just learned of Josie's passing and am completely devastated of the news. Josie was one of the most kind hearted, loving, friendly and compassionate souls anyone could hope to meet. Although we were tenant and landlord, we became fast friends. I will always remember her love and kindness. Now she is flying among the angels. Rest in Peace, Dear Josie.

My condolences to the Barnes Family. Josie was such a pleasure to work with at SE. In the last year, my father presented to the ER, and she treated him so kindly, like he was family. It made us feel very special and at ease. Such a beautiful person. She'll be missed.

To Josie's children: although I have only known Josie for a year through work, I did know that she was an amazing, compassionate, strong, and hard-working person. She lived to serve others and will be greatly missed among her colleagues. I know that she prepared you all for life's crazy turns. There is nothing harder than losing the person who loves you the most in the world. May peace be with each of you.

Always so nice and caring to me, Alex and our babies. You karoked with me and Katalina. Who loved you because you actually played and sang with her. Most people wouldn't. You were always such a joy to be around and I know everyone who has ever had the pleasure of meeting you is so happy to have met you. Your advice and generosity will go with me in my life forever.
