Maria, My sincere condolences to you and your family. Tony was my cousin who I lost track of some time ago. I remember him as a wonderful person I looked up to. I was proud to read of his accomplishments. A long time ago I was at a life insurance convention with my family and Tony and you were so gracious to let us stay in your beautiful home. I have fond memories of our meeting. I always called him Frank. Although I'm unable to attend the services, my thoughts and prayers are with you all. May God bless you in your period of bereavement.
