O God, look with pity on Your Servants who suffer. Ease their pain and comfort their loneliness. Give them the grace to bear this cross patiently with You in Christian reparation. We know that death is not the end but only a horizon that limits our sight. Life with You is immortal and love eternal. We ask this through Your Son, Jesus Christ, Our Lord! My heart goes out to the Pecot family & friends in this time of your Loss. May the Lord give you peace knowing that Uncle Joseph is with our Savior and his family in heaven. My love and prayers to all Joseph's loving family. Joseph will always be in my memory, I remember the silly games we played when we lived in the same family home in Charenton and most of all the quiet talks we had as we grew older. Will miss you my dear cousin.

Pecot Family; Uncle Joseph always impressed me as an easy going, laid back kind of guy, he seemed to simply enjoy life and wanted others to do the same. He had an infectious smile and calmness about him that always made me look forward to seeing him. His dedication to his religious beliefs, his wife and family, the US Navy and his true patriotism was very evident and will always be remembered as who he was. I am truly sorry for your loss and hope we all can recall his positive influence in our lives. He is likely with loved ones that have gone before him and is enjoying his time with them now. May peace and love be with you Uncle Joseph and the family members that are survived by him...

Sweet & Gentle cousins !! extend condolences to my dear cousins, Kerry, Kenny, Lisa & Troy. At the passing of their father & their greatest supporter in life & my dearest of all my uncles. Uncle Joseph is a treasure. A gem to have to enjoy. We all were all lucky to have had Uncle Joseph to enjoy as your father in this life & my uncle. I never once heard him yell at anyone throughout his life. He is a gentle strong soul of a man. He always brought happiness to me. His smile always brought me to smiling too. I was fascinated to experience him as my mom's twin brother. They lived near each other most of their life. When he was in the Navy he mailed me his Navy Pea Coat cuz I was asking for one. Later I learned it was his own coat he mailed me cuz he wanted to make me happy. I wore it all of my 9th grade year. He is like that, making others feel like they matter & are special too. I loved feeling his love for me. I will always appreciate Uncle Joseph for his personal encouragement to me. He confirmed me. He always, every time I saw him made me feel like I mattered to him. He made sure I felt included each & every time he was around. I felt his light. He is a good soul. With deep love I express my gratitude to you uncle Joseph. I have good fortune of my wonderful cousins. Let's celebrate his good life lived. To you uncle Joseph, & to you each Kerry, Kenny, Lisa, & Troy. Love & Hugs & Kisses - cousin Carla
