I don't have any pictures of us in school we were just kids . I meet Jacob at miller intermediate school he would always flirt with me at the bus lines we had for school at Reese elementary later that year he was my bf until the 2nd year at miller . Jacob was always a ladies man very nice very sweet. He came to see me right before he pass I never knew that would be the last time I hear from him today I still think of him & how tragic this situation was may he rest his soul in peace . Amen

Our deepest regret... to know one of our precious friends (like a son) has been taken from us too soon! Our prayers & thoughts to the Lara Family. We love you guys! Our boys have given us so many memories... throughout their school years, in sports & choir. I am so grateful our boys paths crossed. Jacob was a good friend to our son & always respectful to us! May God embrace each of you with HIS love & peace during these difficult days. NO doubt Jacob will be missed! 2015 Dobie Longhorns mourn one of the good guys! I am still in complete shock over Jacob's death. I always looked forward to seeing him, his sister, and dear mom at mass on Sunday's. He had such a great smile, always. I will miss him coming to me for Eucharist in the Precious Blood of our Lord. Claudia and gang, his memory will always stay with you that his death cannot be destroyed. Love you guys.
