One week ago, I received some of the worst news of my life. My Uncle Jeff passed away. I will always remember him as my fun-loving uncle. Late night Chuckie movie marathons, him waking all of us cousins up early because we would sleep too late and sleep the beautiful day away. Jamming out to Guns N' Roses, Led Zeppelin, The Eagles, and Rod Stewart, any time day or night. And through it all, I remained his Princess. His memory will live in my heart forever. Until we meet again, I Love You Uncle Jeff.

Jeff was a sweet kind person. He loved his family and would give you the shirt off his back. He was like a brother to me. I will miss him so. But will cherish the memories and good times we had. May he rest in peace. I pray for Donna, Justin and Austin to find peace and always know how much Jeff loved them and how proud he was of them.
