We all miss you very much. Your dad posts about you all the time. I've seen pictures of the littles.. they're growing so beautifully. The girls looks just like you. And little Levi looks just like his dad. I hope you're up there in heaven, pain free. Love you.

Jessica became my best friend a few months before she passed. Her dad spoke about me at her memorial, I couldn't be there. I loved her, the patience she had, the mother she was, the friend she was, the christian she was. Words can't express how much I miss her, I miss her kids, I miss our talks. I miss everything.

I had no chance to meet this beautiful person, it is sad to know they leave us just because God got her a job in Heaven for any reason. She's in peace and will be missed for her family members. Rest in Peace.
