My prayers are with your family. I went to high school with Jim in Burkburnett. He moved away and I finally got to catch up with him the last few months. It was so good to get to hear about his family. He loved you all dearly. Rest in peace Jim.

I am praying for your family to find comfort. I went to Burkburnett High School with Jim and lost touch when he moved away until 3 months ago. It was nice to get to know about his family that he loved so much and his sweet dog.
