Sorry, but I just noticed I typed Aubrey, not Audrey in my entry.

Dear Beatty family; so sorry to hear of your loss. We have such fond memories from being your neighbors over 30 years ago in El Lago. We still tell the story of the time Amy and Megan, only 3 & 2 at the time, let themselves out of the house and Connie found them around the corner as she was getting off the school bus. You were such dear sweet neighbors to David and I at a very special time in our lives. Aubrey was with us at the hospital when we were having our babies. Good memories.  
Love, Kitty
