Janna, Kim and families was so saddened to hear of the passing of your dad. I did not see my sisters post on FB until the 15th. Although we didn't have a lot of contact I thought about him often. He was one of the nicest and friendliest persons to be around. You could see the love he had for my cousin, your mom, as well as for each you and his grandchildren. He lived life to the fullest. Our sympathy to the family.

Kim: I just read about your dads passing in the reporter news today. He was one of my favorite people to call on through the years down in Corpus. He was always fair, honest and good for a little butt chewing when I saw him. Working in Corpus was never the same after he retired. Hope you and your family are doing well despite your loss. Don, thanks for the memories. Kent Kaufhold
