Eren Lee DeLange

NOV 18, 2014

Eren Lee DeLange died unexpectedly on November 18, 2014 at the age of 33. She is survived by her parents Jacalyn and Steve DeLange, her sister Lyndsey Miller-DeLange Hagan, brother-in-law Scott Hagan, her nephew Bralyn, her niece Katelyn, her grandmother, Bettie DeLange, her aunt Michalyn Ordeneaux, her uncle Gary Bennett and numerous cousins. She was preceded in death by her grandfathers, Berry Miller and A.L. “Bud” DeLange, her grandmother Rosalie Miller, her aunt Linda Bennett and uncle Roddy Ordeneaux.

Eren was born in Houston Texas on June 3, 1981. Soon after her birth, it became evident she was a special child who faced many challenges throughout her life. She saw the world through different eyes and could find beauty everywhere. She was a loving child who shared hugs with everyone. Her unique personality and idiosyncrasies made her memorable to all. She attended special education classes in the Pearland School District, where the district placed her at the Child Guidance Center, a wonderful day hospital program, for several years. She graduated in 2002. She received HCS services from All the Little Things Country following school and lived with a godmother, Joanna Rankin, for ten years, while maintaining active contact with her family. She converted to Catholicism and was very proud of her religious beliefs. She was a cancer survivor and kept an upbeat attitude throughout her treatments. She came back to live with her parents this spring. She was an avid Texans fan, enjoyed listening to music, playing computer games, and embraced her role as an aunt. She will be deeply missed by her family and all who knew her.

Visitation will be on Monday, November 24, 2014 from 5:30 to 7:45 pm at Clayton Funeral Home; 5530 Broadway; Pearland, Texas. A funeral mass is scheduled for 10:00 am on November 25th at St Helen’s Catholic Church; 2209 Old Alvin Road; Pearland, Texas. In lieu of flowers, donations can be made to the MD Anderson Cancer Center; PO Box 4486; Houston, Texas 77210-4486; in memory of Eren DeLange.

As one of Eren's care givers at Child Guidance, I was touched by her sweet soul. It was always a pleasure to take care of her on weekends or when Steve and Jac went out of town. She was the light of my life. I took her in when asked and introduced her to the Catholic faith. I am her proud Godmother and foster mother. We went through a lot together, moving, going on cruises, going to All The Little Things Country, and cancer. I loved her, and still do, with a pure heart, just as she loved me. Even as an adult she loved like a child. It gives me peace to know that she is complete and happy in Heaven. I imagine her in a rocking chair next to Bud or Nita, people she loved that went before her. She called me on my birthday in 2014 and asked me if I'd always be her Godmother no matter what. Of course, Eren. I am your Godmother forever. Thank you for being in my life and teaching me so much about your world. I miss you. Giant hugs and strawberries, my Lulu Bell.
