James Charles "Charlie" Savell, 51, passed away on Wednesday, October 8, 2014. He is preceded in death by his father, James Charles Savell; and sister, Jenette Savell and his beloved stepfather Richard "Pops" Smith. Charlie is survived by his mother, Norma Savell Smith; his loving wife of 19 years, Kimberly Bounds Savell; brothers, Carlton and Mike Wiseman, Richard Savell and wife, Barbara; sisters, Judy Hill, Jill Rodgers, Sissy Savell and Robin Savell; niece and nephew, Richelle and Austin Savell; Goddaughter, Brooke Mayfield Weddle; lifelong family friends, Kent and Katrina Nutt; special nephews, Connor Nutt and Alyx St. Jean; all of his Texas Steel Family; and a host of other family and friends.

Charlie was a sports fanatic that had a passion for classic rock music. He has been a member of the Houston Livestock Show and Rodeo for many years. He was an excellent provider for his family and a hardworking, dedicated company man for Texas Steel Conversion. One of Charlie's greatest loves was celebrating Christmas and buying gifts for needy children and the children at MD Anderson Children's Wing. He and his friend Kent shared many adventures all around the world together. Charlie and Kimberly loved traveling together and with friends to many places that always ended up with lots of laughter and fond memories. He knew many people in all walks of life and made friends everywhere he went. Charlie was truly the life of the party and will forever be remembered for his spontaneous nature. Kimberly and Family of Charlie- Never you worry that Charlie is looking down at you with that bigger than life, warm, gentle smile of his; that huge grin from ear to ear, as only he had!!! More than a few times he expressed how much he adored Kimberly and dearly loved his family. This is a monumental setback of epic proportions for all that knew and dearly loved him, just the same for those not fortunate enough to have known him personally, but whom he unselfishly helped regardless. Charlie was a larger than life man with a larger than life heart, as he knew how to fully embrace and enjoy life to the fullest with such a natural ability, style and grace. To Kimberly and the Family, please accept my deepest condolences and know I'm here for you during your difficult time.

Charlie was a great guy, always had a ear to give. He gave some great advice a couple of years ago when I needed it most. Your leaving an empty spot for a lot of people but you will always be in our hearts and minds.

The most beautiful soul came into our lives, touched our hearts and then slipped away from us way too soon. But before he left us, he carved a small spot in each of our hearts where he sits and every so often when you see or hear something that reminds you of Charlie, you may feel a tug at your heart and a gentle whisper, "Remember When", a smile will then form across your face as the love for Charlie surrounds you in warmth. Kimberly, I can't even begin to understand the great loss you must be feeling, but please know that you are loved and we all are thinking of you and praying for you to find the peace that your heart so desperately needs right now. You and Charlie had something that not many couples ever find, a great love for each other. Charlie loved you so much. To Charlies family, I pray that you all find peace in this time of great sadness and loss. Charlie touched so many lives and was loved beyond comprehension. Charlie was one of the greatest men I have ever had the privilege of knowing or ever will know because there could never be another Charlie. Know that you had a huge part in the great man that he became. Charlie, I still can't wrap my head around this loss, the tears keep flowing, my heart aches, and I will miss you more than you can ever imagine. You were the Heart and Soul of TSC and the TSC Family. We will never be the same because the last piece, the greatest piece of the puzzle is missing. Charlie, I love you and pray that your journey be everything you imagined it would be. May you find everlasting Peace, Love and Happiness.

My "Charlie". You were God's gift to me when I needed someone. You were always so generous to help anyone no matter what the situation was. I think your HEART was so big that "GOD" said it was time for you to rest and enjoy life from above and see all the "GOOD" work you've done for him. You are leaving so many people behind with heavy hearts but yet with such fond memories. I love you and will miss you dearly. Rest in peace my "Babies" daddy!!

I don't even know where to begin except to say that Charlie was like my brother that he loved to play practical jokes on me and I promised that one day I'd get him back....\$10,000 lottery ticket for one! I will miss him more than I can say. I've had so many memories with this guy that I can't even put here that would even cover it all. Rodeo times in the suites, cook offs, Guadalupe River, Christmas party at he & Kims place....most of all my work memories with him for over 21 years. You will be forever missed & forever in my heart. I will always appreciate how much you were there for me & always took care of me in everything no matter what even when it was in your "Charlie" kind of way! Love & I will miss you always Donna ~
